

## **NBTAM Reading Quiz #1 (1-90)**

---

1. Describe Chloe and what we know about her. (Include a physical description, as well as personality traits. What main things do we need to know about her character?)
2. Describe Austin and what we know about him. (Include a physical description, as well as personality traits. What main things do we need to know about his character?)
3. Describe Rob and what we know about him. (Include a physical description, as well as personality traits. What main things do we need to know about his character?)
4. Describe the relationship between Rob and Chloe.
5. Create a timeline of important events from the first 14 chapters. (You should have at least 10.)
